

Finance Manager – JHB

Description

WE ARE HIRING: 2025

FINANCE MANAGER – JHB

**SALARY HIGHLY NEGOTIABLE DEPENDED ON CURRENT SALARY
(MEDICAL AID, PENSION FUND, 13th CHEQUE)**

MAIN PURPOSE OF JOB:

As a Financial Manager with a specialized operational focus in the pharmaceutical industry, you will play a critical role in ensuring the financial health and operational efficiency of our organization. You will be responsible for overseeing and optimizing financial processes, cashflow management, analyzing operational data, and providing strategic insights to drive business performance and profitability. You will oversee the financial activities within the organization, ensuring sound financial planning, reporting, and analysis. The Financial Manager will collaborate with cross-functional teams to support strategic decision-making, drive financial performance, and ensure compliance with industry regulations.

KEY PERFORMANCE AREAS:

Financial Planning and Analysis:

Oversee the preparation of monthly management reports including variance analysis to assess the company's financial health and to support strategic decision-making. Analyse financial performance, identify trends, and provide actionable recommendations to improve operational efficiency and profitability. Conduct variance analysis and prepare regular reports for senior management to track key financial metrics and performance against targets and budgets. Prepare financial forecasts and annual budgets.

Operational Efficiency:

Collaborate with cross-functional teams, including Supply Chain, Sales and operation, to identify opportunities for cost optimization and process improvement. Analyse operational data and performance metrics to
